Incentive for Providers to participate?

MCO contracts with providers:
If an organization answers yes
to all three, it is required to
participate in the CDR.

Can't say yes to all three?
Participation is not
required...*at this time*

Alternatives

Do Nothing ??

- Not really an option...

Wait ??

- Hope vendors create interfaces between disparate Electronic Health Records Systems

Take the Lead!

- Create Data Base
- Vendor-neutral
- Standards-based
- Supports national certification standard
- CMS & ONC

Next Steps

- Find more about the CDR initiative at:
www.onehealthport.com/hca-cdr
- Contact HCA's Health IT team to schedule presentations and deeper dives with HCA or OneHealthPort's technical team:
