## MUTUAL AID PLAN OVERVIEW

No jurisdiction possesses all the resources needed to cope with every possible public health incident, emergency or disaster. Intergovernmental coordination is essential for the protection of lives and for best use of available assets. Mutual Aid is the sharing of supplies, equipment, personnel, and information across political boundaries. A Mutual Aid Agreement is an important tool for the sharing of resources among one or more jurisdictions during a public health emergency or public health incident.

In (Month, Year), the \_\_\_\_\_ Health Departments and \_\_\_\_\_ Tribes executed the \_\_\_\_\_ Regional Tribal-Public Health Collaboration and Mutual Aid Agreement (Agreement). The intent of the Agreement is to make equipment, personnel and other resources available to other parties to the Agreement. The Agreement provides for mutual assistance among the parties in the prevention of, response to, and recovery from, any public health emergency. Parties to the Agreement may also provide or receive day-to-day public health services, isolation and quarantine public health services, or any other public health service permitted by law.

In order to operationalize the Agreement, the Parties have developed the \_\_\_\_\_ Tribal-Public Health Collaboration and Mutual Aid Plan for the \_\_\_\_\_ Region (Mutual Aid Plan) pursuant to the authority set forth in the Agreement. The Mutual Aid Plan sets forth standard operating procedures for mutual aid in the form of checklists and other resources, and is used only after a party(ies) have determined that circumstances exceed or potentially exceed the capability of one or more parties to the Agreement.

To assure effective coordination among partners during a response, all parties will utilize the Incident Command System (ICS.) All individuals who may play a role in responding to a public health incident or emergency should be trained and fully competent to operate within ICS. At minimum, each party will assure that all individuals listed on the Mutual Aid Plan Contacts List will have completed and maintain competency in:

- [IS-100 Introduction to the Incident Command system](#)
- [IS-200 ICS for Single Resources and Initial Action Incidents](#)
- [IS-700 National Incident Management System \(NIMS\) – An Introduction](#)
- [IS-800 National Response Framework – An Introduction](#)

The parties to this Agreement should incorporate the Mutual Aid Agreement and Mutual Aid Plan into their existing comprehensive emergency management plan (CEMP). The parties should also provide ongoing training on the Mutual Aid Agreement and Mutual Aid Plan, and include them in at least one exercise every year. Training and exercising mutual aid protocols, in advance of a public health incident, emergency or disaster, will enhance the efficiency and effectiveness of each responding party.

This section provides an overview of the important five elements of a Mutual Aid Plan: (1) Preparation; (2) Invoking Assistance; (3) Coordination and Deployment; (4) Demobilization; and (5) Reimbursement.

## Preparation

Part One of the Mutual Aid Plan outlines the first steps to implementing the Mutual Aid Plan. All parties to the Agreement should complete these necessary steps on or before executing the Mutual Aid Agreement, and assure that information is updated as soon as changes occur. For example, all parties need to designate an authorized representative(s) and provide their contact information to the other parties utilizing the Contact Form found in Appendix A. The authorized representative(s) is(are) the only individual(s) with authority to request assistance from or grant assistance to another party under the Mutual Aid Plan.

The parties need to consider whether they may need to temporarily grant authority to a public health officer outside their jurisdiction during a public health incident or emergency, and what will be the parameters for such a grant of authority. Drafting a template resolution for the grant of authority, and having it available when incidents occur, will allow for minimum effort in composing a specific resolution during an incident. The parties also must review their current public health codes to determine if any gaps exist with their own laws. Where there are gaps, they may need to temporarily adopt certain public health codes from another jurisdiction during a public health incident. Identifying which public health codes are in place, and which ones may need to be temporarily adopted will facilitate the decision process for temporary code adoption during an incident.

Finally, all parties need to agree on how the parties will share, update and access important documents including the Mutual Aid Agreement, the Mutual Aid Plan, and the Contact Form, the Mutual Aid Request Form, etc.

## Invoking Assistance and Responding to a Request for Assistance

When a public health incident occurs, a party or parties must determine whether to request assistance from another party. Part Two of the Mutual Aid Plan provides a checklist for a requesting party to make that request from another party(ies) to the Mutual Aid Agreement. Part Three provides a checklist for a party to complete when responding to a request for assistance. This includes providing cost estimates for assistance offered.

## Deployment and Coordination

To protect employees and property and minimize liability, parties need to ensure actions are taken when deploying personnel to respond to a public health incident at another jurisdiction. Likewise, a party requesting assistance from another jurisdiction should take steps to protect the safety and well-being of their community members and staff when another jurisdiction's personnel arrive on their lands. Parties must address the processes for providing food and transportation and receiving personnel, equipment, and materials. Part Two and Part Three provide checklists for both the requesting party and responding party to complete prior to coordination and deployment of personnel, equipment, and materials.

## Demobilization

The Mutual Aid Plan provides a process for return of personnel, equipment, and material to the responding party's jurisdiction. Part Two and Part Three provide checklists for both the requesting

party and responding party to complete prior to demobilization of personnel, equipment, and materials.

## Reimbursement

The Reimbursement Checklists found in Part Two and Part Three of the Mutual Aid Plan detail a process for determining reimbursement amounts for resources and personnel. Completion of the checklists in Part Two and Part Three are essential to ensuring a party(ies) can pursue reimbursement from federal and/or state resources, and if necessary, from other parties to the Agreement.

DRAFT

## IMPORTANT MUTUAL AID REMINDERS

1. **Ask for Help and Offer Help Early.** Jurisdictions that need assistance usually wait too long to ask for help. For this reason, all parties are encouraged to reach out and offer assistance to other Parties affected by an incident before being asked. All Parties are encouraged to accept assistance from and/or coordinate with other Parties as early as possible during an event.
2. **You Don't Need to Know All the Solutions to Ask for Help.** Identifying exactly what type of assistance is needed takes time. Ask for assistance early, even if you don't know the specific resources or aid that you need. Responding Parties can assist in determining what type of assistance is appropriate and available.
3. **Responding Parties Can Withhold or Withdraw Assistance as Needed.** A responding member jurisdiction may exercise discretion in withholding or withdrawing requested assistance at any time and for any reason.

## HOW TO USE THIS MUTUAL AID PLAN

**Completion of Checklists.** The Mutual Aid Plan contains several checklists to be completed by all parties.

- Part One of the Mutual Aid Plan is a checklist that establishes important steps for **ALL** parties to complete prior to a public health incident.
- Part Two provides a checklist for the **Requesting Party** and **Responding Party** to complete at the time the public incident or emergency occurs.

Using the checklists provided, the Requesting AND Responding Parties must complete the Tribal-Public Health Mutual Aid Request Form to execute the Mutual Aid process.

Although the checklists are designed to be in a somewhat logical order, each incident and each Party's processes are unique, so they may need to be completed in a different order, not completing some items, and/or completing additional actions not listed. Many items will need to be worked on simultaneously, without the need for other items to be completed.

**Amendments to the Mutual Aid Plan.** The Parties may review and amend this Mutual Aid Plan, as deemed necessary. However, changes to the Mutual Aid Plan must be consistent with the Mutual Aid Agreement. Inconsistencies or conflicts between this Mutual Aid Plan and the Mutual Aid Agreement, if any, shall be resolved in favor of the Mutual Aid Agreement.

**Referring to the Mutual Aid Agreement.** The Parties should refer to the Mutual Aid Agreement for issues not addressed in the Mutual Aid Plan. Definitions of terms found within the Mutual Aid Plan may also be provided in the Mutual Aid Agreement.

**Regular Exercises and Training.** The Parties will incorporate this Mutual Aid Plan into their regular exercises and trainings as deemed appropriate.

PART ONE: CHECKLIST TO BE COMPLETED **BEFORE** PUBLIC HEALTH INCIDENT/EMERGENCY

1.1	<p><b>Create an Online Mutual Aid Agreement Access Site.</b> Parties will agree upon an online site location (e.g. Dropbox, site hosted by a state agency, site hosted by one of the Mutual Aid Agreement parties, etc.) for storing the most recent Mutual Aid Agreement, Mutual Aid Plan, Tribal-Public Health Mutual Aid Request Form, Contacts Lists, Parties' Emergency Operations Plans, and other related documents.</p>	<p>Requesting Party</p> <input type="checkbox"/>	<p>Responding Party</p> <input type="checkbox"/>
1.2	<p><b>Update the Online Mutual Aid Agreement Access Site Regularly.</b> Parties will agree upon individuals responsible and procedures for updating the Online Mutual Aid Agreement Access Site on a continuous basis.</p>	<p>Requesting Party</p> <input type="checkbox"/>	<p>Responding Party</p> <input type="checkbox"/>
1.3	<p><b>Designate Mutual Aid Agreement Authorized Representatives.</b> The Authorized Representative is the person or persons designated by each Party to request assistance from or grant assistance to another Party. Each party will decide the individual or individual(s) who will serve as Authorized Representative(s), and whether that person is an employee, elected official, or otherwise authorized individual. Each Party will assure this role is reassigned when there is staff or government turnover, and will update their Contacts List (see Appendix A) on the Online Mutual Aid Agreement Access Site, per agreed procedures.</p>	<p>Requesting Party</p> <input type="checkbox"/>	<p>Responding Party</p> <input type="checkbox"/>
1.4	<p><b>Create a Contact List.</b> Each Party will create, post on the Mutual Aid Agreement Access Site, and maintain current a Contacts List (see Appendix A) of key individuals. This list must be maintained year-round; before, during, and after incidents. Lists will include contact details (e.g., name, title, email address, fax number, phone numbers, etc.) for, at minimum, the following.</p> <p>For Tribes:</p> <ul style="list-style-type: none"> <li>• Tribal Chair</li> <li>• Tribal Health Director</li> <li>• Tribal Public Health Emergency Coordinator</li> <li>• Tribal Medical Director and/or Clinic Manager</li> <li>• Tribal Emergency Manager</li> <li>• Contact for Parties to Submit Aid Requests to the Tribe</li> <li>• Contact for Submitting Invoices to Tribe</li> </ul> <p>For Local Health Departments:</p> <ul style="list-style-type: none"> <li>• Local Health Officer</li> <li>• Local Emergency Response Coordinator</li> <li>• Regional Emergency Response Coordinator</li> <li>• Contact for Parties to Submit Aid Requests to the Local Health Department</li> <li>• Contact for Submitting Invoices to Health Department</li> </ul>	<p>Requesting Party</p> <input type="checkbox"/>	<p>Responding Party</p> <input type="checkbox"/>

1.5	<p><b>Complete ICS Training and Maintain ICS Competency.</b> To assure effective coordination among partners during a response, all parties will utilize the Incident Command System (ICS). All individuals who may play a role in responding to a public health incident or emergency should be trained to operate within ICS. At minimum, each party will assure that all individuals listed on the Mutual Aid Plan Contacts List will have completed and maintain competency in:</p> <ul style="list-style-type: none"> <li>• <a href="#">IS-100 Introduction to the Incident Command system</a></li> <li>• <a href="#">IS-200 ICS for Single Resources and Initial Action Incidents</a></li> <li>• <a href="#">IS-700 National Incident Management System (NIMS) – An Introduction</a></li> <li>• <a href="#">IS-800 National Response Framework – An Introduction</a></li> </ul>	<p>Requesting Party</p> <input type="checkbox"/>	<p>Responding Party</p> <input type="checkbox"/>
1.6	<p><b>Complete Training on Universal Precautions.</b> To assure safety, all Responding Personnel will practice universal precautions in all response activities, as appropriate. Each Party will assure that all individuals who may play a role in responding to a public health incident or emergency will be trained to practice universal precautions when deployed. Responding Personnel who are unable to attest competency in universal precautions will be denied deployment.</p>	<p>Requesting Party</p> <input type="checkbox"/>	<p>Responding Party</p> <input type="checkbox"/>
1.7	<p><b>Complete Public Health Emergency Laws and Codes Chart (Appendix B) and Post on Online Mutual Aid Agreement Access Site.</b> In anticipation of and prior to activating this Mutual Aid Plan, the Parties will consult with one another as to whether each the tribal government party has adopted tribal codes related to specific public health emergency responses. The Tribal Parties will consider what specific laws, including but not limited to Washington State statutes and regulations, each tribal government may adopt temporarily for the purpose of taking action and responding to an emergency. To facilitate this process, each Party will complete the Public Health Emergency Laws and Codes Chart (Appendix B) and will post it on the Online Mutual Aid Agreement Access Site.</p>	<p>Requesting Party</p> <input type="checkbox"/>	<p>Responding Party</p> <input type="checkbox"/>
1.8	<p><b>Draft Template Resolution Granting Temporary Authority to a Public Health Officer and Adoption of Public Health Law(s).</b> During a public health incident or emergency, a jurisdiction may temporarily grant authority to a public health officer outside their jurisdiction. If a jurisdiction does not have a public health code to address their particular public health incident or emergency, the jurisdiction can also temporarily adopt another jurisdiction's public health codes. Each TRIBE should create a template Resolution Granting Temporary Authority to a Public Health Officer and Adoption of Public Health Law(s). This will allow for minimum effort in composing a specific resolution during an incident. A list of public health laws that a TRIBE may choose to adopt temporarily is found in Appendix B. See Mutual Aid Agreement.</p>	<p>Requesting Party</p> <input type="checkbox"/>	<p>Responding Party</p> <input type="checkbox"/>
1.9	<p><b>Execute Health Department Resolutions Establishing Authority to Accept Tribal Grants of Authority.</b> The Boards of Health governing the Party Health Departments have adopted resolutions establishing their respective health officer's authority to accept tribal grants of authority under the Mutual Aid Agreement and posted copies of the executed resolutions on the Online Mutual Aid Agreement Access Site. (An example resolution is provided in Appendix D.)</p>	<p>Requesting Party</p> <input type="checkbox"/>	<p>Responding Party</p> <input type="checkbox"/>

1.10	<b>Determine Procedures for Reporting Personnel Injury/Death Incident.</b> The parties will determine which personnel injury/death incident forms they will utilize and the process for reporting incidents involving their emergency responders.	Requesting Party <input type="checkbox"/>	Responding Party <input type="checkbox"/>
1.11	<b>Develop Capacity to Issue Mission-Specific Responder ID Badges.</b> To facilitate easy identification by members of the public and other responders during an incident, the Requesting Party will provide ID badges specific to each Mission for all responders.	Requesting Party <input type="checkbox"/>	Responding Party <input type="checkbox"/>
1.12	<b>Identify Potential Staging Areas to Receive and Locate Resources.</b> The parties will identify potential staging areas to receive and locate human and other resources requested from the Responding Party(ies.)	Requesting Party <input type="checkbox"/>	Responding Party <input type="checkbox"/>
1.13	<b>Provide copy of MAA and MAP to Workers Compensation and Liability Insurance carriers.</b> Each Party should provide a copy of the MAA and MAP to its Workers Compensation and Liability Insurance carriers and clarify coverage.	Requesting Party <input type="checkbox"/>	Responding Party <input type="checkbox"/>
1.14	<b>Schedule Annual Mutual Aid Agreement Training and Simulation Exercises.</b> Parties will coordinate and collaborate to provide, at minimum, one annual training opportunity and one exercise to maintain staff competency and understanding of the Mutual Aid Agreement. Parties will exchange their emergency preparedness plans, and other documents that may be beneficial in preparing the Responding Party personnel to respond to a request for Mutual Aid Assistance.	Requesting Party <input type="checkbox"/>	Responding Party <input type="checkbox"/>
1.15	<b>Develop Time Tracking Forms for Responding Personnel.</b> Thorough and detailed tracking of Responding Personnel's time is essential for reimbursement. The Requesting Party and the Responding personnel must record on a shift-by-shift basis time sheets and/or daily logs showing hours worked. During deployment, tracking of time is maintained by both Requesting Party and Responding personnel to maximize accuracy. All Parties must develop forms and instructions to track time. Use of one consistent form by all Parties is optimal, however, Parties may need to use different forms. Time tracking forms must be posted on the Online Mutual Aid Agreement Access Site.	Requesting Party <input type="checkbox"/>	Responding Party <input type="checkbox"/>

**Forms that apply to this section include:**

1. Mutual Aid Request Contacts (See Appendix A)
2. Public Health Emergency Laws and Codes (See Appendix B)
3. Draft Tribal Resolution Granting Temporary Authority and Adoption of Public Health Law(s) (See Appendix C)
4. Executed Health Department Resolution Establishing Authority to Accept Tribal Grants of Authority (See Appendix D)

PART TWO: CHECKLISTS TO BE COMPLETED **DURING** PUBLIC HEALTH INCIDENT/EMERGENCY

**Completion of the Tribal-Public Health Mutual Aid Request Form**

The following steps must be followed to complete the Tribal-Public Health Mutual Aid Request Form. Each incident is unique, and items listed below may need to be addressed in an alternate order.

2.1	<p><b>Activate Emergency Operations Center or Emergency Coordination Center.</b> If the Requesting Party has an emergency operations center (EOC) or emergency coordination center (ECC), the Requesting Party may elect to activate it. If the nature of the incident does not call for standing up an EOC or ECC, the Requesting Party will designate a specific point of contact for the Responding Party to coordinate efforts with and provide contact information.</p>	<p>Requesting Party</p> <input type="checkbox"/>	
2.2	<p><b>Initiate Operation of Incident Command System.</b> If the Requesting Party has an Incident Command System, the Requesting Party should operate within that system and adhere to the National Incident Management System (NIMS).</p>	<p>Requesting Party</p> <input type="checkbox"/>	
2.3	<p><b>Request a Mission Number.</b> A mission number serves as a reference to track all activities involving one particular incident. (Only one mission number is assigned to any incident, regardless of how many jurisdictions are affected.) The mission number is necessary for obtaining certain types of reimbursement and activating emergency responder coverage and worker compensation claims. See WAC 118-04 et. seq. The Requesting Party shall request a mission number from the Washington State Emergency Management Division (EMD). To request a mission number, call EMD's 24/7 Alert and Warning Center at (800) 258-5990, or send an email to: <a href="mailto:dutyofficer@mil.wa.gov">dutyofficer@mil.wa.gov</a>.</p>	<p>Requesting Party</p> <input type="checkbox"/>	
2.4	<p><b>Inform Washington State Department of Health (DOH).</b> The Requesting Party shall alert DOH that the Mutual Aid Agreement has been activated, by contacting the DOH 24/7 Duty Officer at 360.888.0838 or via email at <a href="mailto:hanalert@doh.wa.gov">hanalert@doh.wa.gov</a>. This will facilitate access to additional available resources.</p>	<p>Requesting Party</p> <input type="checkbox"/>	
2.5	<p><b>Request Mutual Aid Verbally or in Writing.</b> Ask for help early. Requests for assistance must be made by an Authorized Representative to the Responding Party's Authorized Representative. The request may be verbal or written. If verbal, the request shall be confirmed in writing using the Mutual Aid Request Form before the Period of Assistance begins, to the extent it is practical.</p> <p>Certain requests for assistance may require immediate deployment before completion of this form. Parties may decide to complete only certain parts of the form immediately and delay completion of other parts of the form such as the cost estimates until a later time. However, <b><i>this form must be completed as soon as practical and no later than thirty (30) days after the request for assistance.</i></b></p>	<p>Requesting Party</p> <input type="checkbox"/>	

2.6	<p><b>Receive Request for Assistance or Collaboration.</b> Requests for assistance must be made by an Authorized Representative to the Responding Party's Authorized Representative. The request may be verbal or written. If verbal, the request shall be confirmed in writing using the Mutual Aid Request Form before the Period of Assistance begins, to the extent it is practical. The Mutual Aid Request Form will be completed as soon as possible and no later than (30) days after the date of the request.</p> <p><b>NOTE:</b> Certain requests for assistance may require immediate deployment before completion of this form. Parties may decide to complete only certain parts of the form immediately and delay completion of other parts of the form such as the cost estimates until a later time but no later than thirty (30) days after the request for assistance.</p>		<p><b>Responding Party</b> <input type="checkbox"/></p>
2.7	<p><b>Determine Availability of Resources.</b> The Responding Party will ascertain whether they have sufficient resources and personnel with needed certifications and/or experience to respond to the request from the Requesting Party. The Responding Party may exercise discretion in withholding or withdrawing requested assistance at any time and for any reason. If the Responding Party decides to withdraw assistance, they will give at least 48 hours' notice in writing to the Requesting Party before withdrawing assistance.</p>		<p><b>Responding Party</b> <input type="checkbox"/></p>
2.8	<p><b>Verify Licensure and Credentialing Requirements of Personnel and Volunteers.</b> It is the responsibility of the Responding Party to assure that its assistance meets the training and licensing requirements requested by the Requesting Party. The Responding Party will consult with legal counsel and Emergency Management Division (EMD) to ensure the personnel, volunteers as emergency workers, or covered volunteer emergency workers being sent are properly registered as necessary and meet the licensure and credentialing requirements of the Requesting Party as appropriate pursuant to RCW 38.52 et seq. and WAC 118-04 et seq., and any other applicable statute, regulation or law.</p>		<p><b>Responding Party</b> <input type="checkbox"/></p>
2.9	<p><b>Verify Emergency Mission Number.</b> The Responding Party will confirm that the Requesting Party has obtained an emergency mission number.</p>		<p><b>Responding Party</b> <input type="checkbox"/></p>
2.10	<p><b>Verify Applicable Public Health Code.</b> If the Requesting Party is a TRIBE, consult as to whether the TRIBE has adopted a tribal code related to the specific public health emergency response. Determine if there is a need for the TRIBE to temporarily adopt any non-tribal laws and – if yes – what non-tribal laws the TRIBE will choose to temporarily adopt. Discuss the appropriate length of time for law adoption given the nature of the public health emergency.</p>		<p><b>Responding Party</b> <input type="checkbox"/></p>
2.11	<p><b>FOR TRIBAL REQUESTING PARTIES ONLY. Determine the Need to Grant Temporary Authority to Public Health Officer and/or Temporary Adoption of Public Health Codes.</b> The Requesting Party shall make a determination of whether the circumstances call for the granting of temporary authority to another Party, and/or the</p>	<p><b>Requesting Party</b> <input type="checkbox"/></p>	

	<p>temporary adoption of another jurisdiction’s public health codes. Some key questions include:</p> <ol style="list-style-type: none"> <li>1. Does the incident require the authority of a Public Health Officer and Public Health Code (e.g., isolation and quarantine)? <b>NOTE:</b> A Public Health Officer is the legally qualified individual who has been appointed as the health officer for the tribe, county or district public health department, whose qualifications are set forth in tribal code or in RCW 70.05 and RCW 70.08 et seq.</li> <li>2. Does the incident require the expertise of a Public Health Officer from another jurisdiction?</li> <li>3. Does your jurisdiction have a Public Health Code that addresses the incident?</li> </ol> <p>If you determine that your incident requires the authority of a public health officer or public health code to address the incident, and your jurisdiction lacks either or both, you will need to complete Section 2.11. If not, move to Section 2.12.</p>		
2.12	<p><b>FOR TRIBAL REQUESTING PARTIES ONLY. Establish Temporary Authority for Public Health Officer and/or Temporary Adoption of Public Health Code (if applicable).</b></p> <ol style="list-style-type: none"> <li>1. <b>Execute Tribal Resolution.</b> If the incident requires the authority of a Public Health Officer and/or public health code and the jurisdiction lacks either or both, the jurisdiction shall execute as soon as possible a resolution appointing a Public Health Officer and/or specific public health codes (See Appendix C for a model resolution).</li> <li>2. <b>Submit a Certified Copy to Responding Party.</b> If a resolution is adopted to grant authority to another jurisdiction’s Health Officer and/or to adopt another jurisdiction’s code, a certified copy will be provided to the Responding Party.</li> <li>3. <b>Inform Tribal Members.</b> If a tribal resolution is adopted to grant authority to a Local Health Officer and/or to adopt another jurisdiction’s code, the tribal government will take reasonable and customary steps to inform enrolled tribal and community members of the adoption of the resolution, its scope and duration.</li> </ol>	<p>Requesting Party <input type="checkbox"/></p>	
2.13	<p><b>Submit the Completed Tribal-Public Health Mutual Aid Request Form to the Responding Party.</b> The Requesting Party will submit the completed Tribal-Public Health Mutual Aid Request Form to the Responding Party, using the Contact List posted on the Online Mutual Aid Agreement Access Site as soon as possible, but no later than thirty (30) days after the date of the request. The Tribal-Public Health Mutual Aid Request Form can be faxed or e-mailed, or mailed between the parties.</p> <p><b>NOTE:</b> Certain requests for assistance may require immediate deployment before completion of this form. Parties may decide to complete only certain parts of the form immediately and delay completion of other parts of the form such as the cost estimates until a later time but no later than thirty (30) days after the request for assistance.</p>	<p>Requesting Party <input type="checkbox"/></p>	

2.14	<p><b>File Emergency Declarations as Necessary.</b> File declarations of emergency consistent with your jurisdiction’s legal requirements. Filing declarations such as federal declarations of emergency may help your jurisdiction obtain funds to reimburse other jurisdictions who respond to your public health incident or emergency under the Mutual Aid Agreement.</p> <p><b>Note for tribal jurisdictions only:</b> Under 42 U.S.C. § 5170 (b)(1), a federally recognized tribal government may: a.) request the President of the United States declare an emergency or major disaster for the tribal government, or b.) choose to be considered as part of a state’s declaration request. For further information on when and how to make a tribal emergency declaration go to <a href="https://www.fema.gov/frequently-asked-questions-current-process-tribal-governments-request-presidential-declaration">https://www.fema.gov/frequently-asked-questions-current-process-tribal-governments-request-presidential-declaration</a>. Washington State Emergency Management Division (EMD) may provide additional incident-specific information to determine whether a state or federal declaration may be best.</p>	<p>Requesting Party <input type="checkbox"/></p>	
2.15	<p><b>Receive and Review Requesting Party’s Completed Tribal-Public Health Mutual Aid Request Form.</b> The Responding Party will review the Tribal-Public Health Mutual Aid Request form completed by the Requesting Party.</p>		<p>Responding Party <input type="checkbox"/></p>
2.16	<p><b>Complete and Submit Tribal-Public Health Mutual Aid Request Form to Requesting Party via fax, email, or mail.</b> The Responding Party will complete Part 2 of the Tribal-Public Health Mutual Aid Request Form and submit it to the Requesting Party, as soon as practical. The Tribal-Public Health Mutual Aid Request Form can be faxed or e-mailed, or mailed between the parties.</p>		<p>Responding Party <input type="checkbox"/></p>
2.17	<p><b>Receive and Review Responding Party’s Completed Tribal-Public Health Mutual Aid Request Form.</b> The Requesting Party will review the Part 2 pages of the Tribal-Public Health Mutual Aid Request form completed by the Responding Party.</p>	<p>Requesting Party <input type="checkbox"/></p>	
2.18	<p><b>Approve the Tribal-Public Health Mutual Aid Request Form and Return to Responding Party.</b> The form is complete when the Requesting Party approves the form and the Responding Party’s cost estimates, signs it and enters the time and date signed in Part 3. Upon the date/time of signature by an Authorized Representative, Part 3 of the Tribal-Public Health Mutual Aid Request Form serves as authorization to deploy resources cited within. (See Sections 2.49-2.56 for additional information on cost reimbursement.)</p> <p>If the request includes a granting of authority or temporary adoption of public health code, the Requesting Party/TRIBE will provide a certified copy of the Tribal Resolution with the completed Request Form.</p> <p><b>NOTE:</b> Certain requests for assistance may require immediate deployment before completion of this form. Parties may decide to complete only certain parts of the form immediately and delay completion of other parts of the form such as the cost estimates until a later time.
