Fill in personal information

Use the first person listed on the tax return as the primary account holder.

In the box marked "Who are you applying for ", choose "Myself" if the primary applicant is the only AI/AN in the house, "Myself and Others " if there are other AI/AN in the house.

Add all family members, for any non-native family members, mark “no” in the “applying for coverage” field.

Fill out the rest of the application, including income for all members of the household, regardless if they are applying for coverage.

Once that application is complete, go back to your dashboard, in the same account choose “start another application” on the lower right hand side. You won’t need to create a new account.

Fill out the application using the same primary account holder as in the first account.

Choose “Others in Household” in the drop box under “Who are you applying for”.

Select “no” under “applying for coverage” for the AI/AN and select “yes” for the non-native members of the household. Fill out the rest of the application just as you did the first one.
