

Quick Resource List

WAHealthPlanFinder Triage Process

1. Tribal Zendesk ticket is submitted. Person submitting identifies type of problem, category- Review Team, Operations, Eligibility & level of urgency.
2. If it cannot be resolved, it is escalated to a CARE team. Most AI/AN issues can be resolved by the CARE team.
3. If they cannot resolve, it is sent to an Incident Coordinator.
4. Each action associated with a Zendesk ticket can be sent to parties identified as a CC on the ticket
